## 2022 Youth Program – COVID Safety

The health and safety of all our sailors, instructors, staff, volunteers, and club members is the top priority of our organization. The majority of activities will be run outside, with as little time spent inside as possible. That said, the nature of dinghy sailing is such that it is not always possible to maintain social distancing or masking while on the water, particularly in a program focused on double-handed sailing. **For this reason, all participants and staff must be fully vaccinated, or possess a valid medical exemption in accordance with the Province of Ontario.**

At the time of planning, our 2022 COVID procedures include, but are not limited to, the following:

- proof of full vaccination for all coaches and sailors;
- the separation of programs (participants and instructors) into limited cohorts, which will remain socially distanced from other program cohorts;
- masks worn during briefing/debriefings and whenever onshore and appropriate social distancing cannot be maintained;
- enhanced cleaning; and
- daily COVID screening before arrival on site.

We will continue to follow official guidelines and recommendations from the [Public Health Agency of Canada](#), the [Province of Ontario](#), [KFL&A Public Health](#) and [Sail Canada](#), as well as any COVID safety protocols in effect for Collins Bay Marina.
