## We offer ADULT LESSONS!

### Monday & Wednesday Nights

Our adult program is geared towards those who would like to learn to sail (or brush up on their skills), but don't own a boat. You will learn about wind direction, points of sail, knots, where to sit in a boat, how to control the sails, how to tack and gybe the boat, and how to right a capsized boat. No experience required!

Adult sessions start July 3<sup>rd</sup> and will run Monday and Wednesday nights for July, starting at 6PM to 9PM. Our adult sailors will also be able to participate in Tuesday night racing!

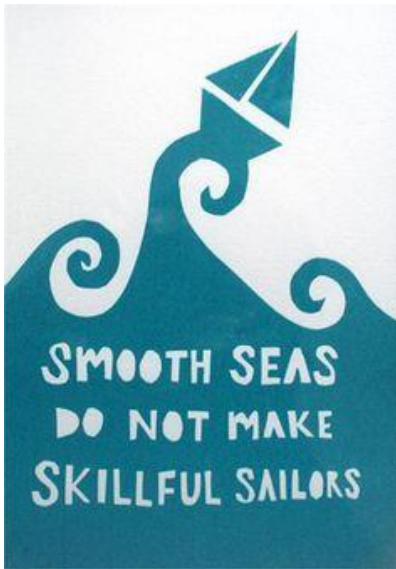

## Welborne Avenue Public School Visit

**Thursday June 22**

This Thursday, June 22<sup>nd</sup>, the Collins Bay Yacht Club Sailing School staff did a quick visit to Welborne Avenue Public School to give a demo about how great sailing is and why it is the ideal summer sport. Plenty Welborne students also learned how to tie basic knots and the anatomy of a sailboat. We have plenty of brochures to hand out if you want some for your school/work as well.

**Navy League Thanks!**

We would like to extend a special thank you to the Navy League in Kingston. With their partnership, we are able to combine communities to foster the love of sailing by training some of their youth members. This summer, 12 Navy League cadets will join our learn to sail program to work towards their CANSail 1.

**Beer Store Returns**

Piles of empties? Looking for a good cause? CBYC Sailing School has empty bottle disposal buckets on marina property, all proceeds come back to the school to purchase new equipment and updated resources. Bring your empties down and look for the blue labeled buckets in the parking lot!

All sailing school students and their immediate families are invited to join Collins Bay Yacht Club for our **CANADA DAY PARTY!** There will be fun and games for the whole family in the afternoon, followed by a BBQ with hot dogs and hamburgers.
